*Open Arts*  
mental health and wellbeing  
through creativity

Learn new techniques  
in a safe and supportive  
environment

No previous experience needed

**Open Arts** is a charitable, community based, arts and mental health service managed by Essex Partnership University NHS Foundation Trust (EPUT).

## What is Open Arts?

Open Arts helps to improve and maintain mental health and wellbeing, through creative learning, social inclusion and self expression.

**It's a chance to learn and practice all kinds of artistic techniques, and be part of a friendly, supportive and creative group.**

## Who is it for?

We have an open referral system for Essex residents aged 16 or older, who have either experienced mental health problems or are a carer.

## What does Open Arts do?

Our courses include taster sessions in visual arts, such as drawing, painting, printmaking, sculpture and crafts. We also offer drama, digital arts and creative writing courses **that help develop new skills and confidence.**

**But most importantly, we offer a positive and productive environment that has been part of many people's recovery.**

## As one of our participants you can enjoy:

- Gallery visits and creative experiences
- Opportunities to exhibit your work

# “I felt I was treated as an artist, not a person with mental health problems”

An independent study by South Essex Service User Research Group (SESURG) at Anglia Ruskin University found:

- 90% of participants felt more positive, and said it improved their wellbeing

- 80% felt that their relationships with other people had improved as a result of the studio placement

- People felt less socially isolated, and reported improved self identity, confidence and choice.

- Links to further learning
- Volunteer opportunities
- Community involvement
- Follow on studio placements at the Art House - part of the Hadleigh Old Fire Station (HOFS) community arts and culture facility

## What does it cost?

Some of our courses offer free places. For others you may need to be eligible for a recovery budget, personal health budget or a carers budget. We can talk about what you'd like to do when you contact us.

## How can I find out more?

If you would like to talk about how you might get involved, we'd love to hear from you. Contact us on **07903 188673** or 07580 982 462 or email [epunft.open.arts@nhs.net](mailto:epunft.open.arts@nhs.net)

If you prefer, any health or social care worker can refer you. Just ask them to contact us.

## Volunteering with Open Arts

We are always delighted to have new people join us as volunteers. Our volunteers are highly valued as key members of the team. Please contact us to talk about what you could do, and find out how to apply.
