

Freedom of Information Request

Reference Number: [EPUT.FOI.22.2668](#)
Date Received: [05.10.2022](#)

Information Requested:

1. As of the date of this request, what is the longest amount of time - in days - that one of your outstanding structural maintenance issues has been left unresolved? Structural maintenance issues could include leaks, collapsed ceilings and creaking support beams. Please could you answer Q1 for the three structural issues which have been left unresolved for the longest amount of time, in descending order?

[None](#)

2. Please send all of your trusts' hospital reports - commissioned since 01/01/22 - into the safety of their buildings and the risk posed to patients in the event of structural failure in the hospitals. If there are no reports as of 01/01/22, please send the Trusts' most recent report.

[Essex Partnership University NHS Foundation Trust does not have any reports in relation to this request.](#)

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
